**Customer responsibilities and tips for hiring a contractor:**

- Check contractor's license.
- Ask for referrals and obtain multiple bids.
- Get a written and itemized estimate and verify accuracy of information including cost, square footage and warranty information.
- Always have a signed written proposal before work gets started.

## Application Instructions

### AN NFRC WINDOW STICKER IS REQUIRED FOR EACH WINDOW

- 1. Purchase and install** a qualified measure.  
To find out more about products and services which qualify, visit [ThermWise.com](http://ThermWise.com) or call **1-800-323-5517**.
- 2. Provide** all the information requested on this rebate application.

7. Allow approximately 6 - 8 weeks from receipt of completed application and documents to receive your rebate check.

### Rebate Availability

The Questar Gas ThermWise Weatherization Program has been approved by the Public Service Commission of Utah and may be subject to change or modification at any time. All efficiency measures must be new, must be purchased and installed prior to submitting a rebate application, and must have been purchased and installed on or after January 1, 2007. Applications must include all information requested. Failure to provide this information may result in the delay or denial of the rebate.

### Rebate Qualifications

Qualifying measures and services may be found online at [ThermWise.com](http://ThermWise.com), or by calling **1-800-323-5517**. Efficiency measures must be installed in single-family houses or in dwellings of up to four units within Questar Gas's Utah service area.

### Application Details

Applications are subject to verification by Questar Gas. If your application is selected for verification, it will not be processed until the verification process is satisfactorily completed.

Questar Gas issues rebates in the form of checks, not utility bill credits. Questar Gas is not responsible if your retailer or contractor provides inaccurate information about the amount and/or conditions of the actual rebate and Questar Gas will not pay rebates for efficiency measures that are mislabeled or misrepresented by dealers regarding rebate qualifications.

The customer hereby transfers to Questar Gas all "Environmental Attributes" attributable to the Qualifying Measure or its operation. "Environmental Attributes" means those aspects, claims, characteristics and benefits of avoided energy use associated with the Measure(s). Environmental Attributes include all environmental benefits, avoided emission characteristics, credits, allowances, reductions, offsets, and benefits associated with the savings of energy and the reduction of generation from non-renewable energy resources, including any avoided emissions of carbon dioxide, methane, and any other greenhouse gases, but do not include any tax benefits or credits associated with the Measure.

### Rebate Limitations and Limitation of Damages

Payment of the rebate by Questar Gas does not warrant the performance of the qualifying/installed efficiency measures and does not warrant that the qualifying/installed efficiency measures will deliver any specified amount of energy or cost savings. The customer shall independently evaluate any information related to the qualifying equipment. Neither Questar Gas, its parent company, affiliates, subsidiaries, officers, employees, nor its contractors make any warranty, expressed or implied, or assume any legal liability or responsibility for the accuracy, completeness or usefulness of any information, estimated savings, benefits, products or process disclosed, or represent that its use would not infringe on privately-owned rights. Reference to any specific commercial project, processes, or service by trade name, trademark, manufacturer, or otherwise does not necessarily constitute or imply its endorsement, recommendation, or favoring by Questar Gas, its parent company, affiliates, subsidiaries, officers, employees, or its contractors.

Please allow approximately 6 - 8 weeks from receipt of completed application for your rebate check to arrive.

Applications received that are missing information may be delayed or subject to rejection.
